Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your Statement of Organization indicates in Line 5(d) that you are a state committee for the Republican Party. A state committee is defined as the organization which, by virtue of the bylaws of a political party, is responsible for the day to day operation of such political party at the state level, as determined by the Commission. (2 U.S.C. §431(15))

Please be advised that before using the contribution limits and/or statutes applicable for state parties, your committee must petition the Commission in the form of an advisory opinion to determine if it satisfies the criteria for state party status. (See Advisory Opinion 2002-10 on the FEC website at <http://www.fec.gov>)

2. Pages 3 and 4 of your Statement of Organization are illegible. The information for the Treasurer, Custodian of Records, and bank depository are not clear for the public record. Please re-submit your Statement of Organization with a legible copy of these pages (11 CFR § 102.2).

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
